Dear Examiner Shang:

The Office Action of October 19, 2006 did not address our submission of new drawing Figure 50A.

Does it meet the requirements requested in the Objection set forth in the original Office Action of February 27, 2006?

We would appreciate a position on this matter.

Additionally, applicant never received a First Office Action on the independent Claim 48 that has been of record since March 22, 2004.
